

Information Governance

The Importance of Collaboration

Jason C. Stearns, IGP, CIPP/US, CRM

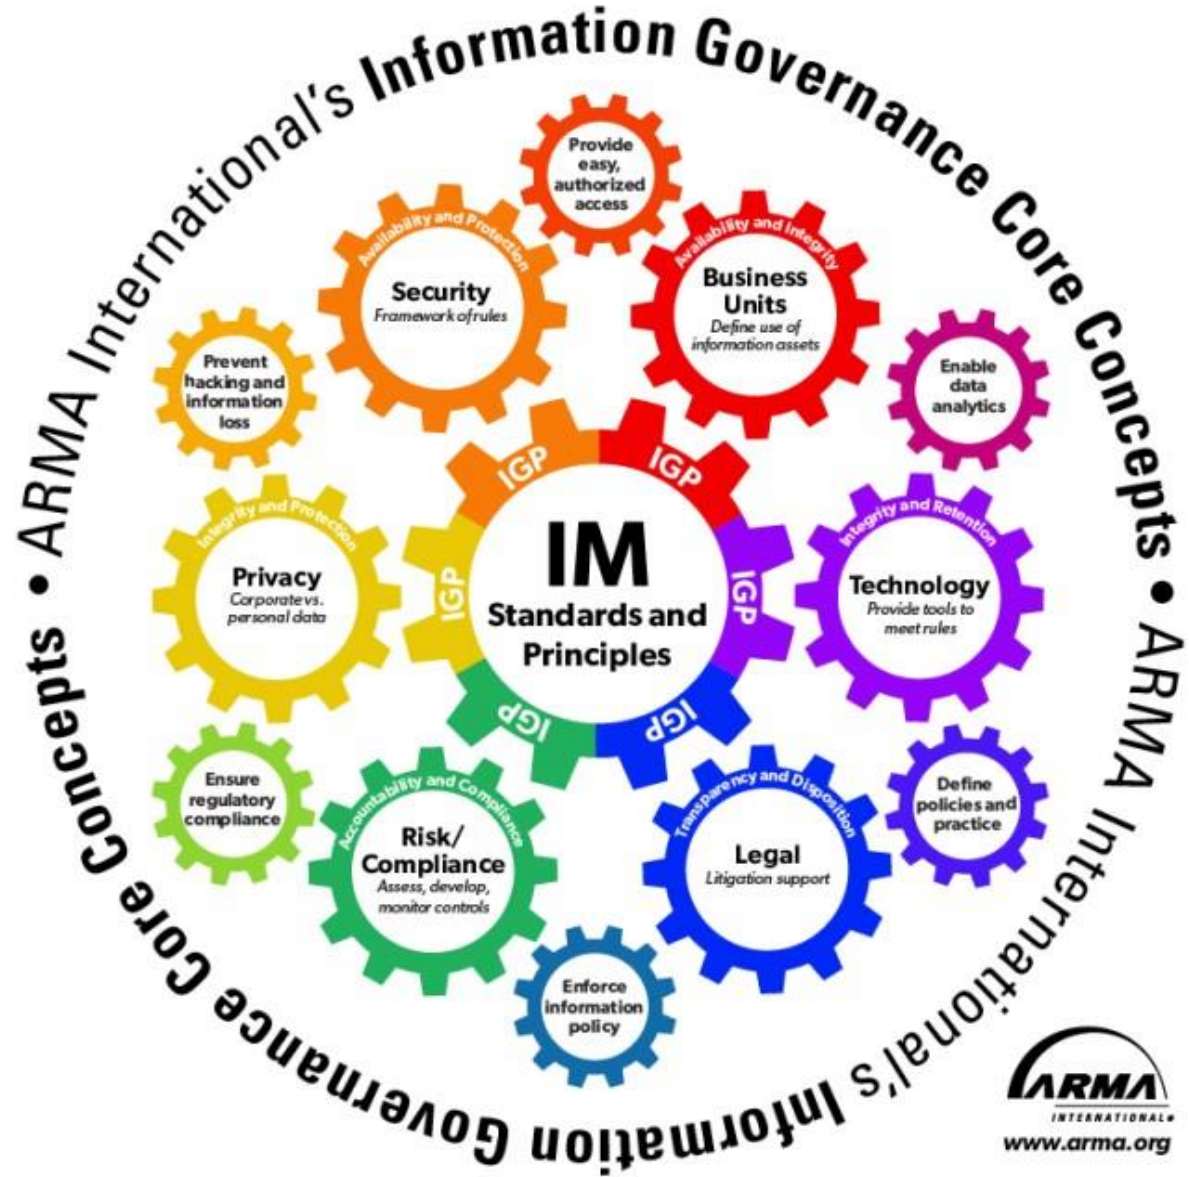

What is IG?

What is IG?

- A strategic, cross-disciplinary framework composed of standards, process, roles, and metrics that hold organizations and individuals accountable for the proper handling of information assets...

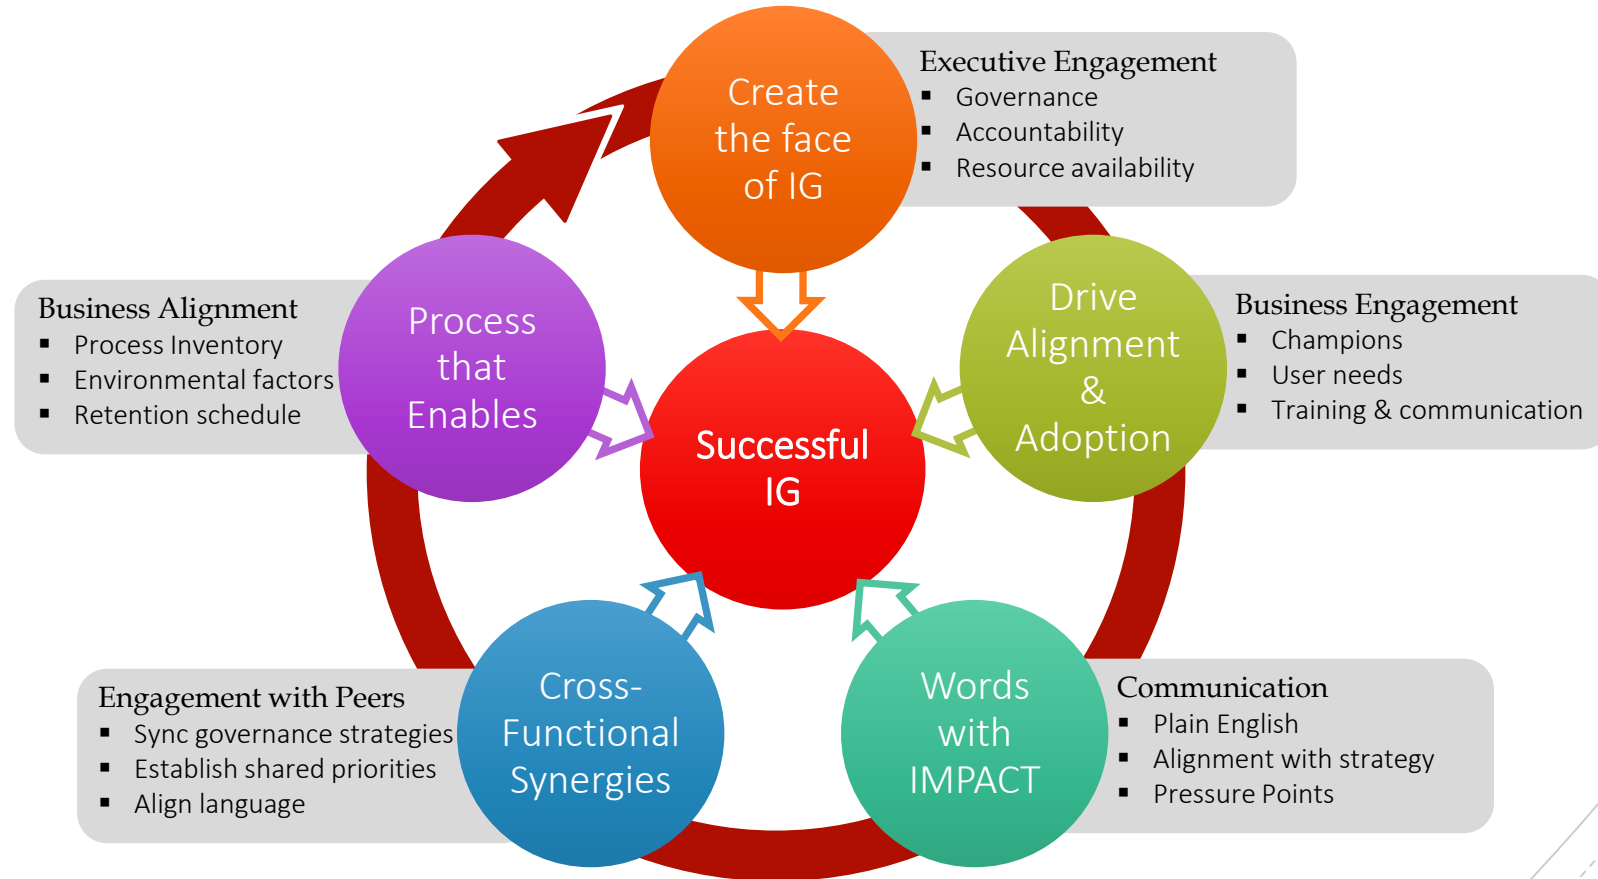

What is IG?

IG Best Practices

- IG is not a project
- Frameworks and maturity models
- Cross-functional team
- IG Strategic Plan
- Information risk profile
- National and international standards
- 'IG' policies
- Redesign processes
- Metrics

Collaboration
